

Value Prop

The most engaging, interactive, and professional-looking way to share any content over Zoom.

App Features

More polished and professional

Add your name and title to leave a lasting impression on your audience in any meeting.

Differentiate your brand

Apply brand colors, fonts, and logos to brandable templates your entire organization can use, keeping everyone consistent.*

Transform your existing Prezi or PowerPoint presentations, or start from scratch with your own images, GIFs, and text.

Promote more participation with on-screen responses using live text, GIFs, Stickers, Images, and Icons.

Save and re-use your content to use in future meetings.

* [Prezi Teams license only](#)

Use Cases

Virtual sales pitches, webinars and virtual events, company updates, live trainings, project check-ins, and more
